Making no adjustments indicates acceptance of the gratuity as automatically indicated. Payments may be made on account at any time in the Club office. 5.0 SAILING, BOATING, AND WATERFRONT ACTIVITIES:

- 5.1 The Club provides and maintains dock facilities including water and electric power for the use of members and visiting yachtsmen. A ramp and hoist are also available. Space for the beaching of small craft is available on the east side of the property in front of the sail loft.
- 5.1 A fleet of Club-owned sailboats is maintained for the use and enjoyment of qualified members and their dependents. This qualification is in the interest of the safety of personnel and equipment and these boats. The Rear Commodore, Fleet Captain, or the Waterfront Director will certify persons as "Qualified". A key to the sail loft will be available in the Club office to qualified skippers only. Normally boats will be sailed when the Club is open and only in adjacent bay areas.
- 5.2 A skipper who desires to use a boat when the Club is closed must make arrangements with the Waterfront Director, Fleet Captain, or Club Manager for entrance to the sail loft. Sailboats not equipped with running lights are to be used only between the hours of sunrise and sunset. Permission to sail any Club owned vessel into the Gulf of Mexico must be obtained from the Waterfront Director, Fleet Captain, Club Manager, or Commodore.

- 5.3 A form for safety and information on the use and condition of sailboats is provided in the office to be filled in prior to sailing by each skipper when a boat is used in other than a Club scheduled race. All skippers who have discovered items on their boat that need to be repaired or replaced enter it on this form on their return from sailing. (Verbal notations are not acceptable or adequate, write it down!)
- 5.4 Skippers sailing Club boats are responsible for accomplishment of the following items:
- (a) Filling in forms in sail loft as applicable.
 - (b) Carrying a minimum of one U.S. Coast Guard approved life saving device for each person on the boat, plus one throwable device, one paddle, and one anchor.
 - (c) Drying wet sails before putting them into sail bag. (See item h. below)
 - (d) Returning all equipment to the sail loft
 - (e) Washing down the boat, tying it to the trailer, lines snug, trash removed, etc.
 - (f) Returning sail loft key to office and confirming the sail loft is locked if no other boats are out.
 - (g) All sails are numbered. They may not be mixed and may only be sailed with the corresponding boat.
 - (h) Sails may not be dried in the sail loft, nor can they be flown from the flagpole. If they cannot be dried due to weather conditions, they must be folded, bagged, and the skipper responsible for them is to return the next day and dry them properly.
 - (i) When returning from sailing, boats will be docked on the leeward side of the dock. If, because of wind conditions, there is no leeward side to the "finger pier", use the stem pilings on the concrete dock.
- 5.5 The following additional conditions apply to skippers and crews under 18 years of age.
- (a) Minimum occupants on a Scot at any time will be 3 and the maximum will be 5, unless special permission is granted by Club Manager, or Waterfront Director.
 - (b) The limit of the sailing area is between Redfish Point and Town Point until a skipper has one year of experience sailing a Flying Scot and reaches his 16th birthday. At that time, it will be at the discretion of the Club Manager or Waterfront Director if an individual can sail in adjacent bay areas.
- 5.6 Private boat owners are expected to provide their own life jackets, paddles, etc. They will not be permitted to use Yacht Club equipment.
- 5.7 Swimming is not permitted from the Club docks, seawalls, or other designated areas assigned by the Club Manager.
- 5.8 Fishing is permitted but the fisherman must clean off the trash etc., before leaving the area.
- 5.9 Since our parking facilities are limited, members should refrain from parking privately owned boats and trailers in the Club parking lot without prior approval of the Fleet Captain, Club Manager or Waterfront Director. All privately owned boats docked on the beach, should be in the area to the left of the Flying Scot storage on the adjacent lot and not placed on the lawn in front of the Club building. Obtain approval from the Club Manager or Waterfront Director before leaving your boat on the premises.
- 5.10 Members and visiting yachtsmen are welcome to utilize the docking facilities of the Club on a temporary basis (not to exceed 4 days), and at their own risk, with the approval of the Club Manager or Waterfront Director.
- 5.11 This Club promotes competitive sailing and establishes programs to this end. Races are scheduled, regattas are held and teams selected to represent the Club at out-of-town regattas.

Members are encouraged to participate in this program, not only to learn sailing, but to enjoy the sport of sailing. Sign up with the Fleet Captain, or Waterfront Director.

Guest privileges for pool parties are subject to the same restrictions as given previously under **MEMBERSHIP & GUEST PRIVILEGES.**
- 6.5 During any period from May through September that the Lifeguard **IS NOT** on duty, the pool may be used by swimmers eighteen (18) years of age, or over. However, no one will be allowed in the pool or on the pool deck unless the Club is open. When the gates are locked, the pool is closed. Authorized persons may obtain the key from the Club Manager.
- 6.6 No one is allowed in the pool in other than bathing attire. Running, horseplay, unnecessary roughness and any other action which endangers life or safety is prohibited in or about the pool. Neither bottles, glasses, nor food are allowed in the pool area. Please use the refuse containers and do not litter the pool area. Bathing suits must be covered in the Bar, Dining Room or Lobby.
- 6.7 All persons entering the pool do so at their own risk. Violations of any of the above rules will result in revocation of pool privileges.
- 6.8 The Club Lifeguard on duty at the pool has authority to enforce posted pool rules and to expel non-Club members, unauthorized guests, and Club members who refuse to comply with posted pool rules. Club members who do not comply with posted rules will be reported to the Commodore by the Club Manager.
