Dear Prospective Member,

Thank you for your recent interest in becoming a member of the St. Andrews Bay Yacht Club. We are delighted that you are considering joining our community. Not only is STABYC a beautiful place to visit - but it is also a wonderful place to belong.

STABYC is recognized for its exceptional waterfront location, outstanding service, and welcoming atmosphere. It is rare to find an organization in Bay County that offers such a robust variety of amenities, including year-round boating activities, excellent dining and lounge facilities, youth-centered programming, member-hosted events, and so much more. Most importantly, we provide an inviting environment where families and friends can come together to relax, celebrate, and create lasting memories.

Because boating is at the heart of our mission, we offer prime dockage, sail racing, and comprehensive junior sailing programs - just a few of the many attractions for boating enthusiasts. Sailing is available using Club-owned vessels, and instructional programs are offered for both adults and children. The Club also maintains a dock, hoist, and boat ramp to assist with launching trailered boats.

STABYC is proud to be a member of the Florida Council of Yacht Clubs (FCYC) and the Gulf Yachting Association (GYA), providing members with reciprocal privileges at more than seventy yacht clubs across Florida and along the Gulf Coast. These benefits extend to all members—boat ownership is not required to enjoy them.

Beyond boating, the Club offers a wide range of additional amenities. Our swimming pool - open from March through November - is a favorite gathering spot during the warm months. Few experiences compare to relaxing on the deck while watching the sun set over the bay. STABYC also features a full-service food and beverage department and hosts an array of themed events, social gatherings, and holiday celebrations throughout the year for members of all ages.

At STABYC, our members come first. Our dedicated and professional staff strive to ensure that every visit is enjoyable, comfortable, and memorable. I invite you to visit the Club, tour the facilities, and experience firsthand what makes STABYC such a special place. Please feel free to contact our office to arrange a tour or to discuss any questions you may have regarding membership.

We look forward to welcoming you to the Club soon!

Warm regards,

Kristi Nye
